On arrival walk straight through the garden centre and exit via the back doors. The entrance to the Nature Trail will be in front of you and Willows private gate is to the right in front of this...you will be met there and showed to the course meeting area.

REFRESHMENTS

Please bring water, and cool drinks. You may bring a picnic lunch or purchase lunch at the café.

CONTACT DETAILS

For all enquiries before the morning of your course, please contact the Going Digital London and the South East Office on 07702 473101. If there are any problems on the morning of your course, please contact your Tutor's mobile (provided with your reminder a few days before the course).

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- It is useful to bring your camera instruction manual if you have one. If you bring SLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card.
- A full set of PDF course notes will be emailed to you after the course so you may like to bring a pen and paper to make a note or two of your own..
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and rubber band make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- You may like to bring a tripod or monopod to take the weight of big lenses.
