

PHOTOGRAPHY WORKSHOPS

WORKSHOPS AT NT OSTERLEY PARK AND HOUSE

TIMES

All workshops run from 10am to 4pm (except Photo Walks which may vary at certain times of the year – please see the Photo Walks page of the Going Digital website for details). Please report to the classroom at 9.45am.

HOW TO GET THERE - Osterley Park and House, Jersey Road, Isleworth, Middlesex, **TW7 4RB**.

Just off the A4 between Hammersmith and Hounslow. Follow brown tourist signs on the A4 between Gillette Corner and Osterley underground station; from W M4, exit 3 then follow A312/A4 towards central London. Main gates at junction with Thornbury and Jersey roads

Underground: Osterley (Piccadilly Line), turn left on leaving station, ½ml.

Going Digital photography courses are held in the Study Base. Follow the path from the car park past the lakes and Osterley House to the courtyard on the left where the onsite café is situated. The Study Base is through the archway to the right of the café, and then through the next archway to the left.

CONTACT DETAILS

For all enquiries before the morning of your course, please contact the Going Digital London and the South East Office on 01323 478693. If there are any problems on the morning of your course, please contact your Tutor's mobile (provided with your reminder a few days before the course).

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- It is useful to bring your camera instruction manual if you have one. If you bring SLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.
- A full set of PDF course notes will be emailed to you after the course so you may like to bring a pen and paper to make a note or two of your own.
- For SLR users, please don't set your camera to shoot RAW images, as they will make downloading too slow.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and rubber band make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- A tripod (full height) if you have one is essential for landscape, Low-Light & Fill-In Flash and Water & Movement workshops). You do not need a tripod for Explore 1.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos. If it is very muddy bring boots.
